

# Team Android

## RobocupJunior - Soccer B

BRG Kepler, Graz, Austria

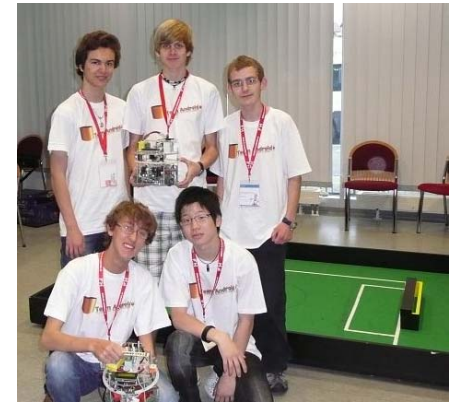

Alexander Kargl, Timo Gürtler, Hao Wang, Paul Friedl, Kevin M.B.

### The team

The team consists of five students, interested in robotics and technology. We attend the BRG Kepler – a school in Graz, Austria.

Since we have won the first place four times, we are the most successful Austrian team.

### The robot

Compass

4x Ultrasonic rangefinders

3x IR rangefinders

Hitechnic IR-Seeker for ball detection
